

SEBUKY

Bio

Born in *Ecuador*, raised in *Barcelona*. Sebuky researches and creates with musical *instruments* and rhythms from around the world but particularly from *South America*, adding electronic .. beats enriched with *algorithms* that provide randomness to sound effects thanks to his other profession, computer science.

Scorpios, Mykonos, Greece. (2023)

Live Set

Each concert is a different experience, it *includes Andean wind instruments* (queenas, pinguyos, sicus) as well as electronic controllers and depending on the conditions of the place can also include: *Marimba* de Chonta, guitar, *charango*, Galician *bagpipes*.

Ozora Festival, Ozora, Hungary. (2023)

Live Band

Arteria Festival, Deltebre , Spain. (2023)

In Live Band mode* *musicians of Latin american roots* join to enrich the show with *live voice*, sound effects and *Latin folk percussion* (Colombian, Peruvian and Argentinian ..) *currently available in Europe only

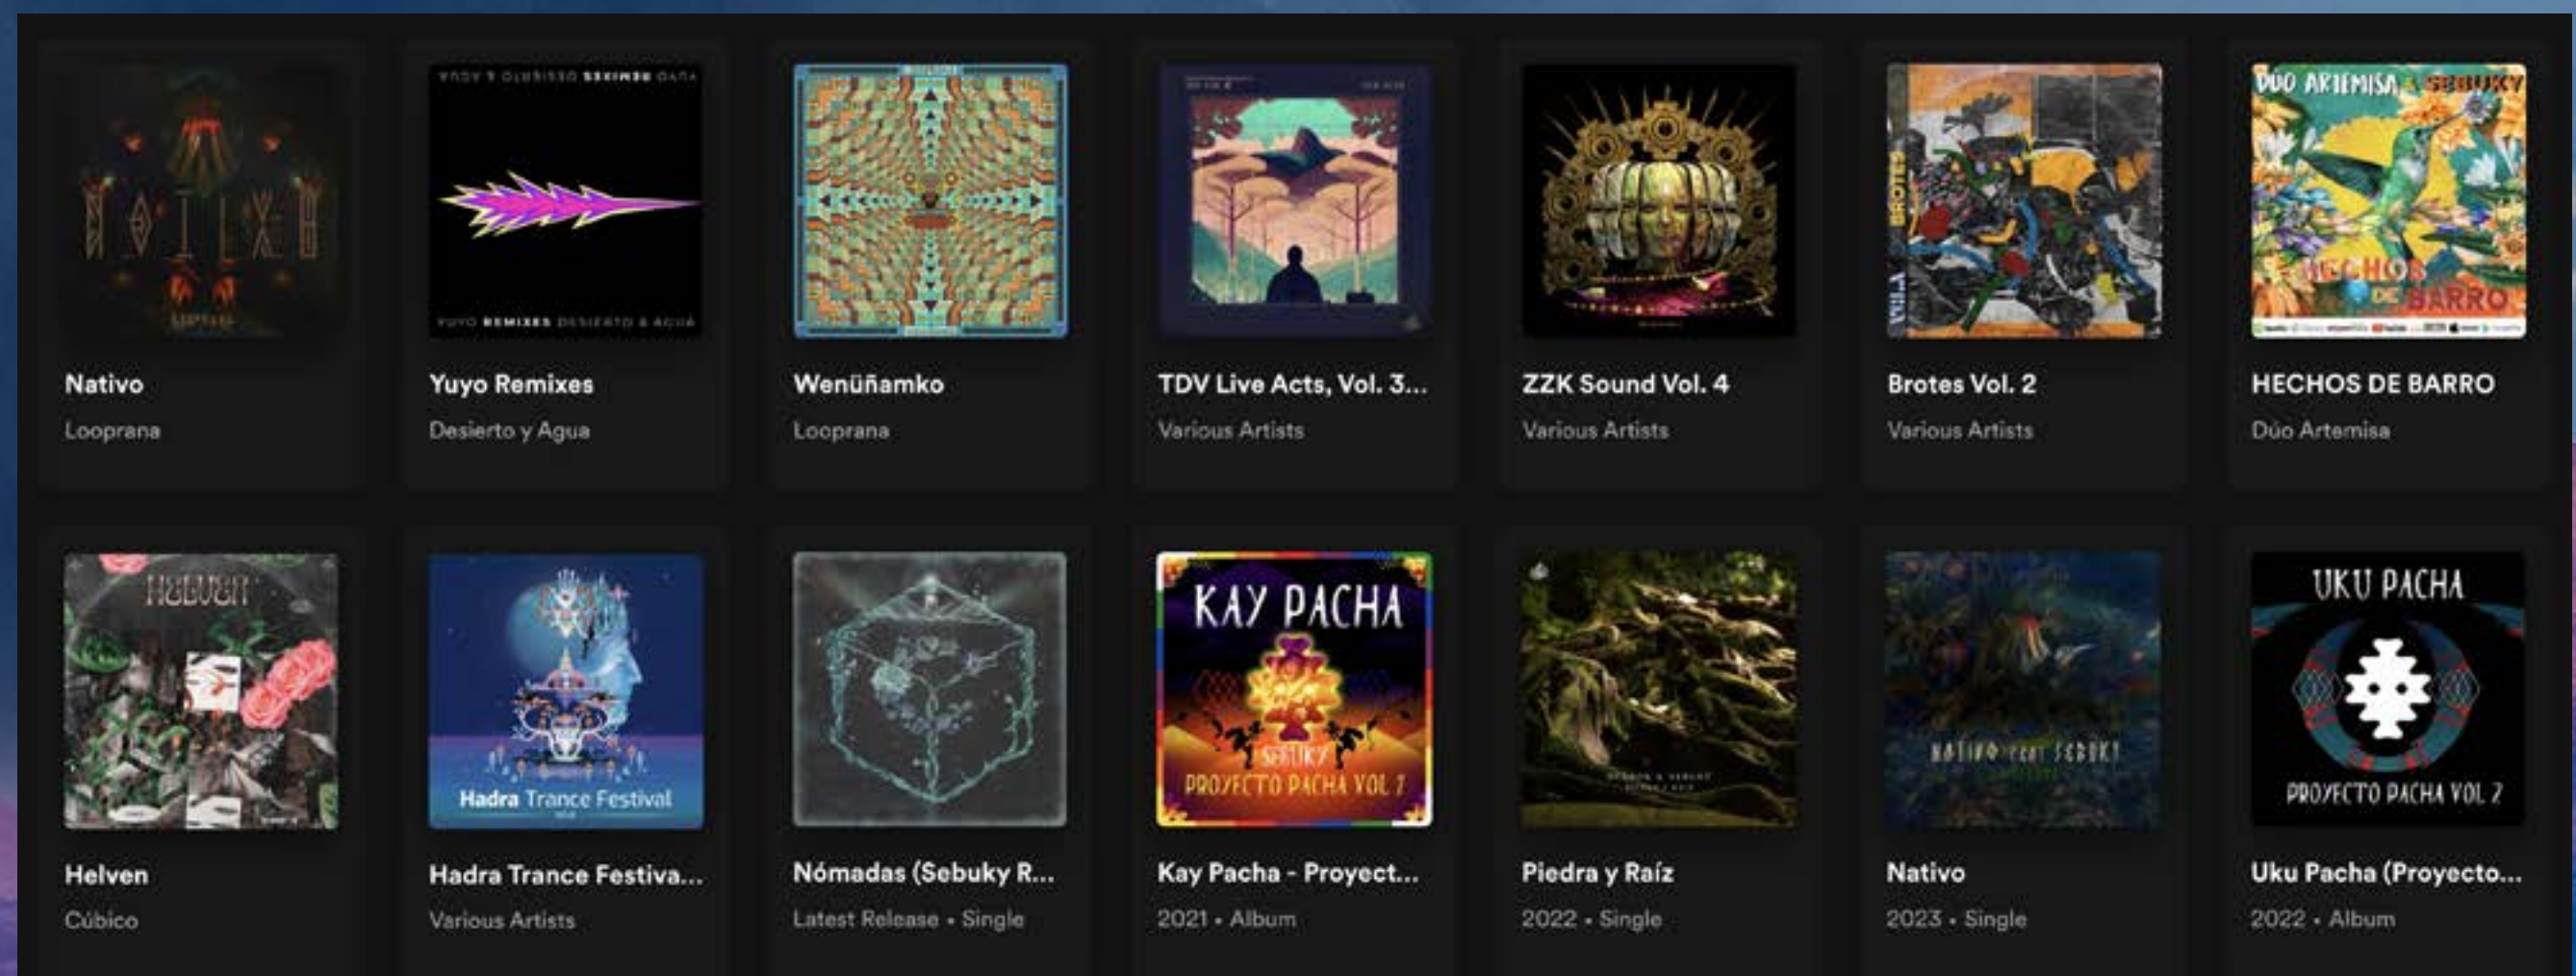

Sebuky On Tour

Sebuky has taken his Proyecto to: *Netherlands, Belgium, Mexico, Guatemala, Spain, Turkey, Slovakia, Colombia, Argentina, Ecuador, Bolivia, Greece (Scorpios, Mykonos), France (Hadra), Hungary (Ozora Festival) and Chile.*
